Compliance Announcement: Immediate Deliveries Authorized Through End of Year

As a reminder, U.S. Customs and Border Protection has released a statement (CSMS #17-000786) that merchandise released from now until December 31, 2017, has been authorized by the Office of Trade for Immediate Delivery (ID) procedures, an offer available to filers during the interim Harmonized Tariff Schedule changes that are to take effect beginning January 1, 2018.

This authorization excludes absolute quota merchandise and merchandise moved under an immediate transportation entry (61).

More information on Immediate Delivery Procedures at Year-End [can be found on U.S. Customs website](#).

For pressing inquiries and updates, please reach your local KWE branch for information.
